- **SPRING/SUMMER** clothes sizes infant – Jr. and maternity
- Shoes
- Baby equipment (strollers, car seats, high chairs, nursery items)
- Books, board games, computer games, movies
- Toys, including riding and outside play equipment
- Miscellaneous items that are for children

Please help us keep growing! Shoppers keep coming back for our selection of high quality items. We can only accept items that are clean, stain free, odor free, and in very good condition. No underwear, stained, or torn garments are permitted. If items are not from a smoke-free home, please ask a non-smoker to check for odors ahead of time, as ***we cannot accept items that smell of smoke.*** Our volunteers will review your items when you drop them off and return any to you that we cannot accept. Your understanding is appreciated; remember, you'll benefit from more sales in the long run.

3. **Clothing Preparation:** Clothing must be clean and on a hanger. Please be sure all belts or other loose articles are securely attached with safety pins to the main piece of clothing. As you face the garment on the hanger, the hook should be to the left, resembling a question mark-- ? (see example). Shoes should be placed in a plastic ziploc bag or the original box. Socks or other small items sold together should also be in plastic bags.
4. **Affix Price Tags:** Take care to attach tags securely and correctly. We are not responsible for missing tags and will not be able to sell your item if the tag becomes detached. Use only the official tags provided for this sale. Tags are available in the church office or you may download from the consignment sale link at www.winderfumc.com. You may also request

them via email when you receive your consigner number. **Heavy stock (cardstock) paper must be used if printing your tags from the website.** Tags must be safety-pinned to the front right shoulder as you face the garment (see example). Do not use straight pins, stickers, staples or tape. Toys and Books must have tags securely attached to them (do not use the wide packing tape). If a toy has loose pieces, please place all pieces in a locked plastic bag and secure to the main toy. Safety pins and hangers are not provided by the church.

5. **Pricing:** To simplify making change for customers during the regular and half-price sale, please price your items in **\$. 50** increments. Consignment sale prices typically are higher than found at yard sales or thrift stores, but less than a permanent consignment store, as we have a brief sales schedule.
6. **Inventory Sheet and Payment:** Please complete the attached information sheet and the itemized list of your goods that corresponds with your tags. Bring these documents and a stamped, self-addressed envelope (needed to mail your check to you) when you drop off your items. You keep 70% of the sale price. The Church uses the remainder to support children's ministries. Please allow 3-4 weeks for your check to arrive. A \$5.00 seller fee will be deducted from your net proceeds.
7. **Dropping off your items: New!!** We are not assigning drop off times this year. Allow approximately 15 minutes AFTER unloading your items for us to take your paperwork and ensure that we can accept all of your items (see guidelines, #2). **Drop off period: Thursday, March 11th: 5 – 8 PM and Friday, March 12th: 9 AM – 11:00 and 12:00 – 2:00.** Check in will be done on a first come first serve basis this year. Please remember that Thursday night is our busiest time, so for a shorter wait please consider dropping off on Friday.
8. **Half Price Sale:** Will be held on Saturday from 12:00 – 2:00 PM. If you do not want your items reduced, you must circle the "NR" on the price tag (NR = No Reduction).
9. **Unsold Items:** You designate on your price tag whether you will pick up your unsold items or want them donated to charity. If you choose to pick-up your unsold items, you must do so between 4 and 5 PM on the sale day. **Items not picked up by 5 PM will be donated to charity – NO EXCEPTIONS!!**

We appreciate your participation in this sale and your cooperation in following the sale guidelines.
